Internal Assessment	(Assessment and certification at school level)	• <u>Health &amp; Hysical Education</u> <u>Work Experience</u> *	

\*Work Experience is subsumed in Health and Physical Education

## **Please Note:**

- If any student fails in any one of the three elective subjects (i.e. Science, Mathematics and Social Science), and passes in the Skill subject (offered as a 6th additional subject), then that subject will be replaced by the Skill subject and the result of Class X Board Examination will be computed accordingly.
- Also, if a student studies three compulsory subjects (i.e., Science, Mathematics and Social Science) and also chooses to study a Skill subject (offered as sixth optional subject), then the aggregate of best five including two languages and the best three subjects (from subject 3, 4, 5 & 6, including Skill subject) can be considered for calculation of percentage (by the school).
- Children with Special Needs (CWSN) may opt one language and any four subjects including Skill subject.
